

# Criminal Defense Investigations

---

**Criminal defense investigations undertake the difficult process of finding the necessary evidence to defend someone who has been charged with a crime. When someone is wrongfully accused a crime, they did not commit, it is imperative that a criminal defense investigation is started as soon as possible.**

When someone is charged with a crime that they did not commit, it is imperative to begin a criminal defense investigation as soon as possible so as to protect that person's rights, and to find and preserve critical evidence before it is too late.

When you are charged with a crime, the law presumes that you are innocent until proven guilty. But the prosecutors will do whatever is necessary to prove it. The government will work side-by-side with the local law enforcement officials to use every available resource to get a conviction, and sometimes their aggressive approach results in an innocent person being wrongfully charged and convicted. Whether you have just been arrested, you are a suspect in an ongoing investigation, or you have been wrongfully charged with a crime, THE MCCAUSEY GROUP can help. Call us today for a free consultation for a criminal defense investigation, so that we can determine your needs and help to prevent you from paying for someone else's crime.
