## Jason G. McCausey

### ***The McCausey Group LLC President & Principal***

Jason McCausey served in several leadership capacities in the Loss Prevention & Investigations sector from 2000 until founding The McCausey Group in 2016. Jason started his Loss Prevention career in 2000 and had increasing responsibilities until the launch of his company in 2016.

Jason has developed and implemented many retail Loss Prevention programs during his career, including the art of Sku Level Investigations, Case Management Integration, and formats, Organized Retail Crime Interviewing techniques and Business Intelligence Programs that aligned with the warehouse management and register systems with an Exception Based Reporting program to create a multi-faceted reporting of total retail operations. Jason is currently piloting functions of Artificial Intelligence Software to better serve the businesses that rely on The McCausey Group LLC, Loss Prevention, Investigations, Safety & Environmental services to protect their business.
